IT'S
HARD TO KEEP YOUR
WARDROBE PREPARED FOR THE
UNPREDICTABLE HIGHS AND LOWS OF
HOUSTON'S WEATHER. SOMETIMES
YOU'RE SWEATING BECAUSE YOUR
SWEATER'S TOO THICK IN THE AFTERNOON
WARMTH, OR YOU'RE SHIVERING BECAUSE YOUR
SHIRT DOESN'T PROTECT YOU FROM A RANDOM
BITTER MORNING. THANKS TO THE THOUGHTFUL
BOUTIQUES AROUND TOWN, WE'VE GOT YOU
COVERED... WITHOUT THE PERSPIRATION. THIN
LAYERS ARE THIS MONTH'S MANTRA. LOAD
THEM UP OR PEEL THEM OFF, IT'S A
CINCH KEEPING YOURSELF AT A
STEADY, COMFORTABLE TEM-
PERATURE.

Recycled from
Navajo blankets,
rest assured your
bag is one-of-a-kind.
Each comes with vintage
hardware and leather for that
warm-in feel.

Arguably the most comfortable flats come with their own travel pouch and
compress themselves into virtually nothing for easy packing.

These worn-in rugged cowboy
boots come with some major
ranch-worthy details... the
actual dirt is included! No
worry, the inside is pro-
lined. These are perfect
for the skinny jeans
or minidress
look.
