Those Abejas girls don't go for your typical tourist baubles. Check out their new handmade bangles from India, Morocco and Turkey. Made of rose-cut diamonds set in oxidized sterling silver and 22-karat gold, they're \$4,000-\$17,000. One is pretty; an armful is amazing. *Abejas Boutique, 5600 Kirby, 713-522-3025*
